The batter has started the UK 2025 season in fine form, and eager to get a full time contract with Yorkshire. At club level he already has over 300 runs at 61, for Yorkshire Academy he his approaching 300 runs at 56, and is again part of the 2nd Team squad.

Owen ideally wants to play his cricket in Australia and whichever team adds him to the ranks, will add a talented prospect to their team.

The Englishman is also a keen coach and happy to play just as a batter if needed.
