Punya Mehra is an exciting top-order batter from the United Arab Emirates. This young promising batter shows his presence at the crease and is certainly someone to look out for in the future.

Most recently, Punya was selected for the U19 World Cup in West Indies. UAE came away from the tournament just missing out on the super eights, however, he could walk with his head held high. A boy with plenty of aspirations of taking his game to the highest level, Punya is now putting all the pieces together.

Respectively averaging 34.80 throughout the tournament, Punya scored 43 Vs Bangladesh, 48 not out Vs Ireland, and most noticeably 72 Vs Canada in the group stages of the tournament. In total he walked away confidently with 175 runs in the tournament as UAE's leading run-scorer.

Now based and studying in Dublin, he played for Railway Union throughout the 2023 Leinster League season, but is open to other options from next season onwards.
