Since debuting in the 2022 Major League Tournament, Madushanka has accumulated 671 runs in 17 first-class matches at an average of 29.17, with several key innings including a 91 against Kurunegala Youth and consistent contributions across a range of strong sides.

Making his List A debut as a teenager in the 2021 Major Clubs Limited Overs Tournament, he impressed early with a mature 28 in his first match versus Nugegoda. A product of Mahinda College – one of Sri Lanka’s leading cricket schools – Madushanka has represented school, district, and provincial age-group teams, steadily building a reputation for composure and skill.

His breakout overseas experience came in 2023 with Dumbleton CC in the competitive West of England Premier League, where he scored over 1,000 runs across league, cup, and friendly fixtures at an average of 39.21. When not keeping wicket, he also contributed significantly with the ball, taking 22 wickets at just 12.36. His adaptability to English conditions and well-rounded performances earned praise from teammates and coaches, highlighting his impact as an overseas professional.

Beyond his playing skills, Madushanka brings valuable coaching and leadership experience, having worked closely with juniors and club members during his UK stint. Now seeking a return to the UK in 2026, he aims to continue his
