Bowling Style	RA Medium Fast
Entry Route	International Sportsperson Visa

Refilwe (Mitchelle) Moncho is a South African right-arm medium-fast bowler with a strong passion for the game and a clear drive to compete at the highest level available to her. She has come through Central Gauteng's women's structures, representing Central Gauteng Women in both List A and Twenty20 domestic cricket, and has more recently progressed into South African franchise cricket with Lions Women, featuring in their squad across the 2025/26 season.

Her development was further recognised in 2022, when she was selected to represent South Africa at Under-19 level, gaining valuable experience on the international stage against some of the country's leading young cricketers. It was a notable early milestone in a career built on discipline and hard work, and one she has continued to build on with regular domestic appearances since.

Refilwe's commitment extends beyond the cricket field. A former pupil of Queens High School, she received Headmaster's Awards in recognition of her achievements and commitment each year from 2020 to 2022, reflecting the same consistency and application she brings to her cricket.

Looking ahead, Refilwe's goal is to continue developing as a right-arm fast bowler and to establish herself as a consistent, high-performing cricketer. She is keen to gain more competitive experience, play at higher levels and test herself against strong opposition, with a long-term ambition of representing South Africa at senior level and building a successful professional career in the game. She is also keen to broaden her international experience, particularly

through opportunities to play cricket in the UK and other competitive environments, and remains committed to continuous improvement and making the most of every opportunity to grow, both on and off the field.
