Romario Greaves is an accomplished right-arm off-spinner and reliable middle-order batter, currently excelling on the Caribbean domestic circuit with Combined Campuses and Colleges (CCC).

Since making his List A debut in October 2022, Greaves has featured in over 30 matches, consistently delivering with both bat and ball. He has also gone on to add first-class cricket to his CV, representing CCC in 12 matches since 2023/24, contributing 448 runs at 23.57 (HS 63) and 26 wickets at 43.23, including a best of 5/63.

A mature and composed cricketer, Greaves has carved out a crucial role as CCC's frontline spinner, forming a dynamic spin partnership with fellow CricX client and left-arm tweaker Larry Edward. Together, they've become one of the most effective spin duos in regional limited-overs cricket, regularly troubling top-order batters and restricting scoring in the middle overs.
