Ryan Hood is a talented all-rounder from South Africa, who has the added benefit of holding a UK Ancestry Visa. Hood is a fluent top-order batter and also front line seamer, who is capable of moving the ball both ways at decent pace.

The South African is a product of the famous Penryn College in Mpumalanga and is about to complete his studies. The youngster has been an integral part of the school's first team for the last 3 years and has had the honour of captaining the side for the last 2 years. Due to his strong performances he was awarded full colours last season.

The all-rounder has been one of the standout performers on the school scene with both bat and ball in recent times, outside of his school commitments Hood represents Lowveld CC in the Mpumalanga Premier League, albeit his availability hasn't been great due to his academic and cricket schedule. When he finishes his studies in the New Year, the youngster will be playing regularly for his club side before his trip to the UK.

Hood is also a keen coach, who is eager to be part of a clubs coaching structure when in the UK, he has experience in working with juniors on a regular basis and would love to coach a junior side. The South African is also an excellent fielder who prides himself on his work ethic and commitment.

The talented all-rounder is seeking to play in the UK for the 1st time in 2020. No doubt a talent, and the added benefit of holding a UK Ancestry Visa makes the young South African a very handy pick up for next season.
