Sachin Kumar Singh is an accomplished all-rounder who represents Bihar across all three formats in Indian domestic cricket. Since making his List A debut in the Vijay Hazare Trophy in September 2019, Singh has consistently delivered strong performances and become a key figure for his state side.

A genuine all-rounder, Singh is a left-handed middle-order batter and a skillful slow left-arm spinner. With the bat, he has amassed close to 1,500 domestic runs, including two centuries—his highest score being a commanding 156. His first-class and List A batting averages stand at 29.84 and 26.86, respectively, illustrating his ability to contribute consistently in challenging conditions. With the ball, he has taken 68 wickets across formats, maintaining averages in the mid-20s, which highlights his effectiveness as a dual threat.

While his 2023/24 and 2024/25 Ranji Trophy campaigns were below his usual standards—competing in Group C against strong sides like Kerala, Bengal, and Haryana—Singh remains focused on bouncing back this summer. He'll be aiming to replicate the heights of his 2022/23 Ranji season, during which he scored 562 runs at an impressive average of 51.09, including both of his centuries, and picked up 20 wickets at 24.24.

Singh's impact hasn't been limited to India alone. In 2022, he made a strong impression during his stint in the Liverpool League with Caldy, where he particularly excelled with the ball—claiming 39 wickets at a stunning average of 10.56, alongside useful contributions with the bat (286 runs at 31.78).

With a proven track record both at home and abroad, Sachin Kumar Singh is a talented and adaptable all-rounder. As he looks ahead to the 2026 season, he is seeking a full overseas opportunity and is certain to be a valuable addition for any UK or EU club looking to strengthen their squad with a high-impact, professional cricketer.
