Sameen Gul is an exciting fast bowler, earning quite the reputation in Pakistan.

A tall, imposing fast bowler, Sameen has the raw pace to trouble the best of players, however it is his ability to swing the ball late and extract movement from the surface that really sets him apart. His skill set appears ideal for UK conditions and we feel he has the tools to be a real stand out professional next season.

Hailing from the North West region of Pakistan, Sameen has long been earmarked as a talent to keep an eye on. Standing at 6'3 tall, he is an imposing presence and he is known for putting maximum effort in to every delivery of his spells. Skilful with the new ball, a competent operator at the death and capable of breaking partnerships in the middle overs, Sameen has a mixed skill set and would be an ideal choice for any club looking for a genuine strike bowler next season.

His first professional is impressive and at the time of writing Sameen has claimed 200 first class wickets at an average of 24.77, with x9 five wicket hauls to his name and has featured for Pakistan Shaheens and Pakistan Under 19s along the way, he has also been an important player for Peshawar Zalmi in the PSL. Whilst not known for his batting in the professional arena, he would be a capable lower order contributor in league cricket and is looking to expand this area of his game whilst overseas.

For any club looking for a quick to give them a cutting edge, Sameen represents one of the most exciting options to UK

clubs for the coming season and would be an excellent choice.
