Shahbaz Javed is an exciting wicket-keeper batter making waves in Pakistan’s domestic cricket. Known for his elegant stroke play and fearless approach at the top of the order, Javed first turned heads during a breakthrough 2023/24 season in the prestigious President’s Trophy Grade 1 (first-class) competition.

Representing Ghani Glass and playing alongside international stars such as Shan Masood, Saad Nasim, Hussain Talat, and Sharjeel Khan, Javed announced himself in style. In just 5 matches, he notched 4 half-centuries, including scores of 74 (v SNGPL), 74 (v Khan RL), and 71 & 50 (v HEC), finishing the tournament with 371 runs at 33.72. His impressive consistency earned him the accolade of ‘Wicket-Keeper/Batter of the Tournament’.

Though the 2024/25 season didn’t replicate the highs of his debut campaign, with 163 runs at 16.30, Javed remains a high-potential player whose natural talent and aggressive intent mark him as a genuine future prospect.

What sets him apart is his calmness at the crease and ability to manipulate the field, coupled with the power to clear the ropes when required. He blends timing and aggression effortlessly, making him a dangerous top-order presence.

While primarily recognized for his glove work at the domestic level, Javed is also a capable leg-spinner, regularly contributing with the ball in sub-domestic tournaments—a skillset that adds versatility to his game.

In 2024, Javed broadened his cricketing horizons with a maiden stint in the UK, representing Plympton CC in the Devon

League, where he compiled 442 runs at 31.57. His experience abroad has sharpened both his technique and adaptability, making him an even more rounded cricketer.

Now looking ahead to 2026, Shahbaz Javed is eager to return to the UK, with his sights set on building on his international and overseas experience. For clubs seeking a classy top-order batter, sharp wicket-keeper, and part-time leggie with a big future, Javed offers a compelling package.
