Sheshan Udara Fernando is an emerging all rounder currently playing first class cricket for Negombo CC in Sri Lanka.

A genuine seam bowling all rounder, Sheshan is a powerful middle order batter and strong seam bowler with the ideal skill set to be a stand out overseas professional. He has match winning ability with both bat and ball and is in good recent form as he establishes himself at the top level of domestic cricket in his homeland.

He has shown glimpses of his brutal talent in his blossoming career, with a List A best of 104 and first class best of 97 with the bat, it is clear to see that Sheshan can play. When you add to this the fact that he takes the new ball in first class cricket, with a best of 3/33, we really do have a serious option as an overseas professional.

Sheshan comes highly recommended by current Sri Lanka spinner, and fellow CricX client Nishan Peiris as someone who would excel overseas. It is not just on the pitch he would add value, he is a good character who would be great around the club as a whole and it is for the above reasons we recommend him highly to club for the coming summer.

A genuine seam bowling all rounder with good availability for the summer, Sheshan certainly ticks a lot of boxes for any club seeking a player with his skillset in 2025.
