Tahir Hussain, a towering left-arm fast bowler currently playing First-Class cricket in Pakistan.

Tahir first came to prominence when he represented Pakistan U19s at the 2020 ICC U19 World Cup in South Africa, where his pace and angle immediately stood out. He went on to make his List A debut in 2022 before stepping up to First-Class cricket in 2023.

Since then, the left-armer has built a strong record, claiming 47 wickets at 28.38 from just 15 First-Class appearances, including a couple of five-wicket hauls. His left-arm angle provides a unique challenge to batters, making him a genuine wicket-taking option with the new ball and at the death.

In 2022, Tahir was also picked up by Peshawar Zalmi in the Pakistan Super League, where he gained invaluable experience training and playing alongside some of the best cricketers in the world.

Now seeking his first season abroad, Tahir comes highly recommended by trusted sources as a player who would be a real asset in UK conditions. His skill set, coupled with his natural pace and ability to swing the ball, makes him an exciting overseas prospect and potentially one of the finds of the summer.

No doubt an excellent option for any club seeking a genuine strike bowler with a bit of X-factor for the 2025 season.
