Across 138 career matches, Tamsin has scored 1,267 runs, with a highest score of 67* and four half-centuries. Her most productive recent season came in 2024, where she accumulated 265 runs at an average of 33.13, contributing over 21% of her team's total runs – demonstrating her ability to play meaningful innings in competitive fixtures. She is adaptable in the middle order, capable of consolidating, absorbing pressure, or accelerating when required.

With the ball, Tamsin has delivered over 323 overs, claiming 66 wickets at an average of 26.79, with a career economy rate of 5.46. Her best figures of 3/1 reflect her ability to produce match-defining spells, while her standout 2022 season saw her take 24 wickets at 17.75, maintaining an economy rate under 5. She thrives on responsibility with the new ball, bowling disciplined, attacking lines and competing hard against top-order batters.

Alongside her seam bowling, Tamsin is currently developing her leg-spin bowling as a secondary skillset. This has been a focused area of technical and tactical development, with promising early progress in control, variation, and game awareness. The addition of wrist spin provides a contrasting option within her bowling profile and reflects her commitment to evolving her game and increasing her value in competitive environments. She intends to continue

progressing this discipline throughout the coming season, with the aim of offering genuine dual-spin/seam versatility at senior level.

Leadership has been a consistent feature of her career. She captained Framlingham College Girls 1st XI and Melton St Audreys CC, developing strong tactical awareness, communication skills, and the ability to lead by example.

Alongside her playing career, Tamsin brings nearly eight years of coaching experience across grassroots, school, and county-pathway cricket. This dual perspective enhances her game intelligence, professionalism, and commitment to continual improvement.

Ambitious and highly motivated, Tamsin is seeking to compete in high-standard environments that will challenge and accelerate her development, while contributing consistently with bat, ball, and on-field leadership.
