Zubair Khan is a professional batter currently playing for Peshawar at the top level of domestic cricket in Pakistan.

After years of toil at club and inter district level, he has finally been rewarded for his consistent performances with a first class debut in February 2024 against Multan.

He has now firmly found his feet at professional level, and is currently averaging in the mid 30's at this level. He has made x2 half centuries from his five games and has a best score of 71, made against a quality Lahore Whites attack which featured Pakistan international speedster Naseem Shah. This innings highlighted the talent Zubair possesses and he is tipped to continue his upward curve in professional cricket in the coming years.

Zubair is a quality batter with an excellent temperament, he is also a more than competent off spinner and he is keen to bowl as many overs as possible during his trip overseas to develop this side of his game and contribute as a genuine all rounder in club cricket. He is also able to source his own accommodation in multiple areas of the UK, therefore providing a brilliant option for any club who are struggling to source their own accommodation.

He would be a good choice for any club seeking a reliable run scorer who can contribute with the ball, he is very keen to head over to the UK for what would be his maiden stint.
